

The Mains Distribution Unit for Professional Users

- The first with 14 outlets
- Safe & Reliable meeting latest EN60730-1
- Robust construction
- Cable Tie Bar
- Long Life LED fuse indicators
- Light weight aluminum 1U 19 inch Rack-mounting case
- Attractive two colour anodised front panel with large ID pads
- Wide range of options & accessories

ONE 4 POWER

The One-4-Power MDU is a compact 1U 19 inch rack-mounting device for mains power distribution. Each of the 14 outlets has a dedicated fuse for overload protection and an indicator LED to allow easy identification of failed fuse. The unit is available in two basic models, the MDU14 where all 14 outlets are controlled by a single power switch, the MDU2X7 where the outlets are split into two groups of 7 with a switch to control each group - useful for loads with high in-rush current.

Technical specification (standard version)

Supply Voltage:	240VAC +/-10%
Supply Frequency:	50Hz
Maximum load: on single outlet:	6.3A (1512W)
Maximum fuse value:	T6.3A
Maximum total load:	16A (3840W)
Number of inlets:	1
Number of outlets:	14

Enclosure

Depth including tie bar:	255mm
Depth excluding tie bar:	160mm
Width:	483mm (19 Inch)
Height:	44.5mm (1U Rack-mount)
Weight:	1.5Kg
Case material:	Aluminum
Front panel finish:	Two colour anodise
Case finish:	Alochrome

Fuse fail indicators

L.E.D.:	3mm round
---------	-----------

Protection

Fuse type:	20 x 5mm glass IEC127
------------	-----------------------

Power switch

Type:	Rocker DPDT
Illumination:	Neon

Standard Version (MDU14)

- Neutrik Power-con inlet (mating connector supplied)
- Chassis earth stud
- Tie bar
- Red illuminated power switch
- Standard fuse T3A per outlet
- Fuse OK = LED on (green indicators)

Options

- Dual power switch version (MDU2X7)
- No power switch version
- Power switch with built in manual-reset circuit breaker
- Hardwired inlet
- IEC inlet
- IEC 320 inlet
- Dual IEC inlet (MDU2X7)
- Fuse fail = LED on (red indicators)
- Blue LED indicators
- Other Fuse values
- Auto-reset fuse (choice of values)
- Extruded Designation strip
- No tie bar
- Under table mounting kit
